

CELEBRATING 50 YEARS OF THE MUSIC THAT CHANGED THE WORLD!

BEATLEMANIA NOW Presents

featuring
left handed bass guitarist and vocalist Graham Alexander
Star of "RAIN" and "LET IT BE" on BROADWAY!

After their bitter and stormy break-up in 1970, John, Paul, George and Ringo went their separate ways, recording and performing on their own. Given more time and the right circumstances, would they have put the group back together and played music again? It's suggested by insiders that they would indeed have!

"THE GREATEST REUNION CONCERT THAT NEVER WAS!"
